Letter No.42/64/E.I.T., dated the 31st May 1932, from the Garrison Engineer, Civil and Military Station, Bangalore, to the President, Municipal Commission, Civil and Military Station, Bangalore.

FREE LICENSES - 1932 - 33.

Reference:- Your No.G.C.1614 dated the 25th May 1932.

I have the honour to bring to your notice the undernoted further point in favour of the Buildings and Roads Staff of the M.E.S., being granted free passes for their conveyances.

In the list of exemption from tax under appendix 10 of the Municipal Bye-Laws item (V) reads "Motor or other vehicle belonging to M.E.S. Officers employed on the Bangalore Water Supply no exceeding one vehicle for each officer". Each of the individua for whom I have requested free passes are directly concerned wit water supply, in that (a) they maintain the supply from the main to the tap in all military buildings and all the water supply buildings at Turbanhalli including reservoir there and at the High Ground in their charge, (b) they are compelled to maintain conveyance for the due performance of their duties and (c) they are carrying out the duties, which, until very recent years, was done by Military Sub Divisional Officers to whom free passes were granted.

I therefore consider that the bye-law mentioned above covers the issue of free passes to these individuals.

The persons for whom I recommend the free issue of passes are:-

1.	Mr. W. L. Roberts. ..	S.D.O. South.
2.	" G. D. Bhagyam. ..	S.D.O. North.
3.	" A. S. Rajabathar Mudaliar.	S. O.

2. I enclose for the information of the Hon'ble the Resident a copy of the Veterinary Superintendent's letter dated the 20th February 1933 to the Collector, in which he has given details as to the work he does for the Municipality, for which he requires the use of a car. Letter No.V.142-33 dated 20th February 1933 from the Veterinary Superintendent, C. & M. Station, Bangalore, to the Collector, C. & M. Station, Bangalore.

Reference:-No.640-A-33 dated 10th February 1933.

I beg to submit that the orders of the Hon'ble the Resident, communicated in letter No.3977-A-32 relates to the charges incurred or to be incurred in connection with the investigation and suppression of Rinderpest etc., in the Station limits, to be debitable to Government and not to Municipal Commission and I fully agree that the duties in connection with the investigation and suppression of Rinderpest etc., come within the scope of my official duties as a Government servant and I am not claiming any allowance for this work from the Municipal Commission.

Just as other Government servants, such as the Garrison Engineer, the Police Inspectors, have been granted a free disc by the Municipal Commission for supervising water works, and Hackney animals, I also request that a similar concession may be granted to the Veterinary Superintendent, who will have to move about within the Municipal limits during the prevelence of epidemics among cattle when necessary or called upon to do so. On previous occasions, I have moved about within the Municipal limits and innoculated more than a thousand heads of cattle without claiming any remuneration or any contribution for examining of Cattle and Dogs. It is only recently that in 1931, the Veterinary Assistant was entertained. The inspection of Municipal Pound is not solely being done by the Veterinary Assistant and will also have to be done by the Veterinary Superintendent, when the Assistant is absent from duty on account of leave or sinckness or other work at the Hospital and vice versa. Lately the Veterinary Assistant was on two months leave and the work was attended to by me.

I have been maintaining a car since 1928 and in fact it was through the bounty of Government who advanced me a sum of Rs.500/- that I purchased a car. The advance was made on the recommendation of the Collector, who was convinced that the Superintendent did require a conveyance for certain items of work allotted to him. The car is used by me for all executive work and on all previous occasions, I have used the car for Municipal work, and Dr. Mathews

Health Officer, has gone with me in my car for inspection of milch cattle sheds when there was an outbreak of Foot and Mouth disease in the Station.

In conclusion, I beg to state that I am asking only for the continuance of the privilege which has been extended to me for the past five years and not for any special allowances or contributions, just as other Government Officers.

I may also mention that neither the Veterinary Superintendent nor the Assistant do get any sort of allowances like the Excise Police Officers.

Copy forwarded to the President, Municipal Commission, Civil and Military Station, Bangalore, for favourable consideration.
